Your face is beaming, you say it's cause you're  
dreaming of  
How good it's going to be  
You say you've been around and now you've finally  
found

Chorus:

I don't have the heart to hurt you  
It's the last thing I want to do  
But I don't have the heart to love you  
Not the way you want me to

Inside I'm dying, to see you cryin'  
How can I make you understand  
I care about you, so much about you  
Baby I'm trying to say this as gently as I can 'cause

Chorus:

I don't have the heart to hurt you  
It's the last thing I want to do  
But I don't have the heart to love you  
Not the way you want me to

You're so trusting, and open  
Hoping that love will start  
But I don't have the heart  
Oh no, I don't have the heart

Chorus:

I don't have the heart to hurt you  
It's the last thing I want to do  
But I don't have the heart to love you  
Not the way you want me to

I don't have the heart  
Baby, I don't have the heart  
Baby, I don't have the heart
