I WILL BE THERE

By: KYLA

Whenever you feel, all alone
Whenever you feel there is no reason to go on
When there is doubt, in your heart
When there is no one in this world that you can find
Who will give you support in everything you do
And who will believe that you will see things through

I will be there, I'll be there
I'll be your shoulder you can lean on
I'll be your friend you can depend on
I will be there (2x)

There are times when things go wrong
Yes there were times when you just feel, you don't
belong
And there are days, when things don't go right
Yes there were days when you're not willing to fight
You will need someone who will tell you it's okay
Someone who believes, believes in you all the way
I will be there, I'll be there
I'll be your shoulder you can lean on
I'll be your friend you can depend on
I will be there (2x)

(Repeat twice)

Oohh
I will be there, I'll be there
I'll be your shoulder you can lean on
I'll be your friend you can depend on
I will be there (2x)
