We use to laugh in the pouring rain
Out in your corner everyday
A thousand smiles can't hide the pain
Can you give me, give me more love
You never seem to satisfy
Can't help but wonder why
Why you lie to me everyday
I just want you, want you to fly
[Pre-Chorus:]
How can I lift you up
When you're the one who's bringing me down
How can I sacrifice in your life
I'm no one

[Chorus:] [2x]
I'm on the run hiding from you
You wont find me I know what to do
Under the sun thinking of you
I hate to love you
I love to hate you

I used to call you on the phone
Every time I feel alone
You never leave me on my own
That makes me
Makes me feel all right

Now you say you don't understand
Everything that I have done
All I want is peace of mind
Can you give me, give me more time

[Pre-Chorus:]
How can I lift you up
When you're the one who's bringing me down
How can I sacrifice in your life
I'm no one

[Chorus:]
I'm on the run hiding from you
You wont find me I know what to do
Under the sun thinking of you

I hate to love you
I love to hate you
