Someday you'll gonna realize
One day you'll see it through my eyes
But then i won't even be there
I'll be happy somewhere
Even if i can't

I know
You don't really see my worth
You think you're the last guy on earth
Well i've got news for you
I know i'm not that strong
But it won't take long
Won't take long

Chorus

Coz someday, someone's gonna love me
The way, i want you to need me
Someday, someone's gonna take your place
One day i'll forget about you
You'll see, i won't even miss you
Someday, someday

Right now
I know you can tell

I'm down, and i'm not doin' well
But one day these tears
They will all run dry
I won't have to cry
Sweet goodbye

Chorus

Coz someday, someone's gonna love me
The way, i want you to need me
Someday, someone's gonna take your place
One day i'll forget about you
You'll see, i won't even miss you
Someday,
I know someone's gonna be there

Someday, someone's gonna love me
The way, i want you to need me
Someday, someone's gonna take your place
One day i'll forget about you
You'll see, i won't even miss you
Someday, someday ... (more)
