I look into your eyes, so far away  
There's trouble on your mind  
You're losing faith  
Hey now, let me hold you  
It'll be okay  
Coz I will love you  
Till they take my heart away

Remember when you called  
And said goodbye  
You thought we'd lost it all  
And so did I  
Even if I'd lost you  
I will be the same  
Coz I will love you  
Till they take my heart away

Believe  
I'm here to stay  
I will love you  
Till they take my heart away

Ooohhh...

Now we're stronger than before  
We've made it through  
I never felt more sure  
Because of you  
Hey now, are you listening?  
Can you hear me say  
Cozi will love you  
Till they take my heart away

Believe  
I'm here to stay  
Coz I will love you  
Till they take my heart away

Believe  
I'm here to stay  
Coz I will love you  
Till they take my heart away, away, away

I will love you  
Till they take my heart away...
