48th street you went mental
Did you hear voices?
Or were you moved by the spirit?

Cops on horse
Knock of purses
Move along now, move along

And I can't give you up
No I can't give you up
I'm not afraid of the dark
I'm not afraid of the dark

Oh, darling drama on the sidewalk
Have you ever in your life felt so helpless?
You know I'm right here, lightning statue
You know I always got your back, I'm a bulldog

And I can't give you up
No I can't give you up
I'm not afraid of the dark
I'm not afraid of the dark

You're naked in new york
