I got a girl back in Fort Worth that means the world to me  
Her eyes are green, green as the emerald sea  
She left me not so long ago  
I headed down to Port Aransas for the Gulf Coast, baby  
Here I sit alone out on the sand  
Watchin' pieces of my life go through my hands  
Bein' out here is what I needed most  
I try like hell, but I can't escape your ghost

Take me back to Donnelly Drive  
Back to a time when I was still alive  
Close my eyes, see it in my mind  
Take me back to Donnelly Drive

I long to hold you, but I don't think that I can  
I sit and think of why I'm such a foolish man  
'Cause losin' you is the worst thing that I've done  
Deep in my heart I know that you're the only one now  
Took a walk down the beach to clear my mind  
Wishin' someone would turn back the hands of time  
To when I held you, to when I felt so free  
I'm hopin' one day that you just might remember me

Take me back to Donnelly Drive  
Back to a time when I was still alive  
Close my eyes, see it in my mind  
Take me back to Donnelly Drive

I got a girl back in Fort Worth that means the world to me
