"King Of The Keys"

I was once a little punk,
Back then, tell me, who would've thunk?

I'd be the King of the Keys.
The Ebenezer never breathes.

Hoo!

Bring the ladies to their knees,
I'm the King of the Keys.

Yeah!

Mama said, "Don't hesitate,
Jam down with those 88s."

Now I'm the King of the Keys,
Doin' what I please.

Hoo!

Make the ladies scream with ease,
I'm the King of the Keys.

Ow!

Baby!

I'm a musical Hercules!
I'm the King of the Keys!

Baby, I'm the King!
