There is no need to fear underdog is here underdog is here

Woof woof woof

When criminals in this world a fear they break the laws of the nations near

They fryin all you see and hear they fragil all far and near

Under under dog, under under dog t

Hat's the super hero pup quick's and native give it up

There is no need to be mean when this dog is on the scene to the rescue

Here he comes this K-9 is number one

Under under dog, under under dog

Speed of lighting, roar of thunder,

Fighting all who rob or plunder.

Underdog, Underdog, yeah, yea.

When in this world the headlines read

Of those who's hearts are filled with greed

And rob and steal from those in need

To right this wrong with blinding speed go

Under, under, dog

Under, under, dog

Coming at you right on time

Saving lives and stopping crime

Don't you worry, he'll be there

So you bad guys you beware

To do wrong when he's around

Guess who's coming to your town

Underdog, Underdog, Underdog, Underdog.

Come on baby it's no wonder

All we need my only number

Put your hands up way up high

Who's that flying in the sky

Underdog, Underdog, yeah yea.

Anywhere and everywhere

Til' this superhero stare
January to December
Fighting crime since I remember

Under, under, Dog.
Under, under, Dog.

He's the one to save the day
Underdog is here to stay

To the rescue here he comes
This canine is number one

Coming at you right on time
Saving lives and stopping crime
So

There's no need to fear, underdog, un-un-underdog is
here.

Underdog, underdog, underdog, underdog.

Speed of lighting, roar of thunder,
Fighting all who rob or plunder.
Underdog, Underdog, yeah, yea.

Under, under, Dog.
Under, under, Dog.
Under, under, Dog.
Under, under, Dog.

There's no need to fear, underdog, un-un-underdog is
here.
Underdog is here.

[Spoken]
Hahaha. He's here.
