I can't believe my eyes  
I'm drowning for no reason  
No water or quicksand  
But I'm sinking just as easy  
100 hundred miles high  
But I'm almost to the bottom

I'm diving even deeper  
With every lie I'm caught in

I'm goin' overboard I know  
I'm in over my head  
Oh It's Over

I've fallen from the sky  
With nothing underneath me  
No parachute to pull  
Or coroner to greet me

100 miles high  
But im almost to the bottom

I fall a little faster  
After every lie I'm caught in

I'm goin' overboard I know  
I'm in over my head  
I'm looking over the edge of  
Being alive or dead

And although It's over because of  
Something that I said  
It's over  
Yes It's over

I never wanted it to be this way  
But then again I wouldn't change a thing  
Oh no!!!

And although It's over because of  
Something that I said

It's over  
Oh It's over  
Yes It's over

Ohhhhh!!!!
