There's a light at the end of the tunnel  
Yeah I saw it today for sure  
There's a ship setting sail in a bottle  
And I know it can reach the shore

There's a bird sitting high in it's hollow  
Dreaming to break the mold  
And if he fly's with the strength of Apollo  
Surely he'll find the north

Oh take me home  
Oh take me home

Cuz there's a light at the end of the tunnel  
Yeah I saw it today for sure  
And if we fight for our lives  
Love will follow  
And I know we can win this war
