Say my name like you are my baby
Cuz my generation
Don't have no patience
Let it fade out and call me lazy
Cuz I never seem to know
What I want

Well I can find someone tomorrow
But baby you're a tough act to follow

I hope this is never over
I'll never be alone
If you take me home
Let's go cuz we only get older
I'll never be alone
If you take me home

Gettin' paid, not so easy lately
But I got direction
So give me affection
Runnin' round all over town
You know why
Why I never seem to know
What I want

Well I can find someone tomorrow
But baby you're a tough act to follow

I hope this is never over
I'll never be alone
If you take me home
Let's go cuz we only get older
I'll never be alone
If you take me home
(Oh, yeah, oh)

Yeah I struck some gold
Down in your bones
And we should go home
'Cuz we're shiverin' head to toe now
Letting you go is like catching a cold out here

So take me home

I hope this is never over
I'll never be alone
If you take me home
Let's go cuz we only get older
I'll never be alone
If you take me home
Yeah, yeah
If you take me home
Yeah, yeah
If you take me home
