We've lived so long in those lovely days
You were there, life was fair in every way
I tend to say some crazy things
It's obvious they're not the words I really mean

Why do you cry?
Are you waiting for my goodbye?
While you were faking all of the times
There's no mistaking, no mistaking

Do you feel the way I feel?
What do you need tonight?
There's no better man for you
Baby, I can do you right

And now getting tired and feeling lost
'Cause every night you paint a scene so hard to cross
You're in my nmind all the time
But even so I'm not not sure so tell me why

Why do you cry?
Are you waiting for my goodbye?
While you were faking all of the times
There's no mistaking, no mistaking

Do you feel the way I feel?
What do you need tonight?
There's no better man for you
Baby, I can do you right
Baby, I can do you right

I have not been myself
Too far from your smile
It's time for show and tell, yeah
I need to do you right
What do you need? What do you need?

Do you feel the way I feel?
What do you need tonight?
There's no better man for you
Baby, I can do you right

Used to be so good
Used to be so fine
Baby, used to be alright
Mama I can do you, do you
