Good time
Good time

Well, today's the perfect day
So won't you come out to play
Won't you come out
Oh, won't you come out to play

If tomorrow never came
That would be okay
As long as you come
As long as you come today

It'll feel so good
It will feel so fine
It'll be, be everything
All the time

We're gonna have a good time
We're gonna have a good time

Well, the skies are always gray
Whenever you're away
So won't you come out
Oh, won't you come out to play

I come with a guarantee
Of a heart that'll never stray
So won't you come out
Oh, won't you come out to play

It'll feel so good
It'll feel so fantastic baby
It'll be, be everything
All the time

We're gonna have a good time
We're gonna have a good time
We're gonna have a good time
We're gonna have a good time

So throw your watch away, it's a big mistake

I don't really care how much you paid
And the calendar, I hope it never changes
'Cause I don't wanna lose today

Gonna have a good time
We're gonna have a good time

We're gonna have a good time
We're gonna have a good time
We're gonna have a good time
