It takes me an hour
To finish a shower
My mornings are long
I know, it's freaky baby, oh oh

And when I am speaking
My stomach is leaping
I'm scared of myself
You probably think I'm crazy, yeah yeah

Frantic
Shifty eyes
Worried mind
It's a problem

I'm paranoid, I'm paranoid
My life is a twister
So bear with me sister
I'm paranoid

I keep myself busy
But my mind is so dizzy
I feel like the world
Is counting on me baby, oh oh

Frantic
Shifty eyes
Worried mind
It's a problem

I'm paranoid, I'm paranoid
My life is a twister
So bear with me sister
I'm paranoid

Must be in regression
You think I'd learn my lesson
But more manic depression
Controls me

I'm paranoid, I'm paranoid
My life is a twister

So bear with me sister
I'm paranoid

I'm paranoid, I'm paranoid
My life is a twister
So deal with me sister
I'm paranoid, yeah yeah yeah
