Charles & Eddie
House Is Not A Home

It's four o'clock in the morning
You haven't called
I know we have got some
Problems
We need to solve
I know I made a few mistakes
That I can't take back
But girl you got to know I love you
And that's a fact

'Cause our house is not a home
Without your love I feel alone
If you hear these words
Coming from your man
Please come back
I miss you so

It doesn't matter who did what
I'll take the blame
'Cause I would give up my whole world
To have you back again
In my arms
Sure as the leaves that fall in winter
You've got to know
(Please don't go baby, please don't go)
Whatever it is you think is wrong
There is hope

(chorus)
