Aahaa oh, baby, oh yeah.

Been so long since I let you do all the things you used to do.

And all this time I can't forget you. Everywhere I turn, I think of you.

Oh, I, should've trust you, baby. You, honey, you're all I need.

Soul to soul, fire to fire, nothing like the sweetest desire,
LOVE IS A BEAUTIFUL THING. One on one, you and me, baby,
this was meant to be. LOVE IS A BEAUTIFUL THING.
It's a beautiful thing.

Love is such a sweet emotion, one I want to share with you.
With your love and endless devotion, don't you know there's
nothing we can't do?

'Cause I wanna touch you, baby. YOU, oh, you're all I need.

Soul to soul, fire to fire, nothing like the sweetest desire,
LOVE IS A BEAUTIFUL THING. One on one, you and me, baby,
this was meant to be. LOVE IS A BEAUTIFUL THING.
It's a beautiful thing. (It's a beautiful thing.) It's a beautiful thing
(beautiful thing), ooh hey. OH, BABY, it's a beautiful thing.
It's a beautiful thing, oh yeah oh yeah.

Oh hey, come on, come on, come on, come on, baby, yeah,
you're so beautiful. You're so beautiful.

I wanna touch you, baby. YOU, hey, come on now.
I I wanna touch you, baby. YOU, your love, baby, you're
all I need.

Soul to soul, fire to fire, nothing like the sweetest
desire,
LOVE IS A BEAUTIFUL THING. One on one, you and me,
baby,
this was meant to be. LOVE IS A BEAUTIFUL THING.
(Come on, girl.)

Soul to soul, fire to fire, nothing like the sweetest
desire,
LOVE IS A BEAUTIFUL THING. One on one, you and me,
baby,
this was meant to be. LOVE IS A BEAUTIFUL THING.
It's a beautiful thing. (It's a beautiful thing.) It's a
beautiful thing,
hoo-oo yeah OH, BABY. It's a beautiful thing. (It's a
beautiful thing.)
It's a beautiful thing, oh yeah (oh yeah). You know
you're so fine,
oh, baby. Oh yeah hey yeah, you're so beautiful, come
on, child.
Your love is so beautiful. Don't you know it's beautiful,
yeah?
