Charles & Eddie
Vowel Song

You been talkin'
Talkin' to me
I been watchin' you
From way across the room

You been lookin'
Over my way
Is it you or I
That's gonna make the move

Gonna make you sayÂ...
Ooh, ah, oh yeah

Come on baby
Listen to me
Let me tell you
How I want our night to be
Movin' slowly
Hold you closely
Gonna put you in a mood
You won't believe

Don't you leave me
In this corner
I won't let you get away
Without a fight
Funky music
Groovin' hard now
We should do what
We've been wanting to all night

Gonna make you sayÂ...

Can I take you
Over to my place
I'll make dinner
With a table set for tow
I want to know you
A whole lot better

We can laugh and talk
And stay up late together
Just give me a chance
To prove the others wrong
'Cause I won't be like
No one that you've had before
I'll treat you right
I won't hold too tight
You just be
Exactly who you are

Gonna make you say...
