

## Kylesa "Point Of Stillness"

Force-fed resurrection  
Swirling misconception  
Searching for the calm  
Lost within the storm

Lasting contemplation  
Hanging from a rope  
Slowly burning through  
The quest will conclude  
Reaching a point of...

Stillness, stillness

Searching, praying, dying

Call it in the way we speak  
Destined to answer  
The prolonged question

Rope begins to snap  
Return from the black  
Light beings to shine

Reaching for the point of...

Stillness, stillness

Stretching belief when carving a stone  
Initialize yourself to find your own  
Choking stare, a vacant breath  
Straining to find what should be mine

Point of stillness remains  
Somewhere in my soul  
Point of stillness remains  
Lost within my soul

Point of stillness  
Is somewhere around  
Is somewhere inside  
Cannot be found  
Inside my heart or mind
