[Intro]

I... I need, I need you.

I... I need, I need you.

I... I need, I need you.

[1. Strophe]

I never said I wasn't gonna tell nobody, no baby,  
but this good loving I can't keep it to myself, oh no.  
When we're together it's like hot coals in a fire, ha  
baby,  
my body's burning so come on be my desire, come on,  
come on.

[1. Refrain]

Two love hearts, two hearts that beat as one.  
Two love hearts, I need you, I need you.  
Two love hearts, two hearts that beat as one.  
Two love hearts, come on, come on.

[2. Strophe]

People get jealous 'cause we always stay together,  
yeah baby,  
I guess they really wanna love like yours and mine,  
together forever.  
I never thought that I could ever be this happy, yeah  
baby,  
my prayers were answered before you came in the nick  
of time, woah-oh-oh.

[Interlude]

I got this feeling that you're going to stay,  
I never knew that it could happen this way,  
before I met you I was falling apart,  
but now at last I really know where we are.

[2. Refrain]

Two love hearts, two hearts that beat as one.  
Two love hearts, I need you, I need you.  
Two love hearts, two hearts that beat as one.  
Two love hearts, come on, come on.

[Bridge:]

I... I need, I need you.

I... I need, I... I need, I need, I need, I need you.

[3. Strophe]

I never said I wasn't gonna tell nobody, no baby,  
but this good loving I can't keep it to myself, oh no.  
When we're together it's like hot coals in a fire, ha  
baby,  
my body's burning so come on be my desire, woah-oh-  
oh.

[Interlude]

I got this feeling that you're going to stay,  
I never knew that it could happen this way,  
before I met you I was falling apart,  
but now at last I really know where we are.

[3. Refrain]

Two love hearts, two hearts that beat as one.  
Two love hearts, I need you, I need you.  
Two love hearts, two hearts that beat as one.  
Two love hearts, come on, come on.

[4. Refrain]

Two love hearts, two hearts that beat as one.  
Two love hearts, I need you, I need you.  
Two love hearts, two hearts that beat as one.  
Two love hearts, come on, come on.

[Coda]

Two love hearts, two hearts that beat as one.  
Two love hearts, I need you, I need you.  
Two love hearts, two hearts that beat as one.  
Two love hearts, come on, come on.  
(fade out)
