Dance
It's all I wanna do
So won't you
Dance
I'm standing here with you
Why won't you move
I'll get inside your groove
'Cause I'm on fire fire fire fire

It hurts
When you get too close
But baby it hurts
If love is really good
You just want more
Even if it throws you to the fire fire fire fire

All the lovers
That have gone before
They don't compare to you
Don't be frightened
Just give me a little bit more
They don't compare
All the lovers

Feel
Can't you see there's so much here to feel
Deep inside in your heart
You know I'm real
Can't you see that this is getting higher higher higher
higher
Breathe
I know you find it hard
But baby breathe
You'll be next to me
It's all you need
And I'll take you there
I'll take you higher higher higher higher

All the lovers
That have gone before
They don't compare to you
Don't be frightened

Just give me a little bit more
They don't compare
All the lovers

Dance
It's all I wanna do
So won't you dance
I'm standing here with you
Why won't you move
Even if it throws you to the fire fire fire

All the lovers
That have gone before
They don't compare to you
Don't be frightened
Just give me a little bit more
They don't compare
All the lovers
