You're the first thing in the morning
And the last thing at night
And I'll always hear you calling
You're always on my mind

I don't want no one but you, ooh
And I don't need a second string
I don't want a share of you, ooh
I wanna be your everything

Sunrise, as long as you'll be mine
Midnight, that would be just fine
Rain or shine, it wouldn't change my mind
I-I-I always find the time

Look around me
I can always see your face
There's a feeling that's surrounding
It's in every move you make

All the other guys I see, ooh
They don't get a second chance
Funny, they don't interest me, ooh
I don't give them a second glance

Sunrise, as long as you'll be mine
Midnight, that would be just fine
Rain or shine, it wouldn't change my mind
I-I-I always find the time

Sunrise, as long as you'll be mine
Midnight, that would be just fine
Rain or shine, it wouldn't change my mind
I-I-I always find the time

I don't want no one but you, ooh
And I don't need a second string
I don't want a share of you, ooh
I wanna be your everything

Sunrise, as long as you'll be mine
Midnight, that would be just fine

Rain or shine, it wouldn't change my mind
I-I-I always find the time

Sunrise, as long as you'll be mine
Midnight, that would be just fine
Rain or shine, it wouldn't change my mind
I-I-I always find the time

Sunrise, as long as you'll be mine
Midnight, that would be just fine
Rain or shine, it wouldn't change my mind
I-I-I always find the time
