Look at you  
You come in with the same old lies  
Think you can win me over  
Feels so good  
I got you working hard this time  
Who's fooling who....ah?

Double check my smile, boy  
I'm only playing along  
You know tonight, boy  
I ain't gonna say....

Baby  
Guess you don't mean that much to me  
Now I got you off of my mind  
No - Baby  
Tell you that word is history  
Just a big mistake  
I won't repeat again - no

Ain't gonna say, ain't gonna say  
Baby  
Ain't gonna say, ain't gonna say  
Ohhh

So, you're back  
You've got the look upon your face  
Too bad  
I know you better  
That's Ok  
'Cause now I understand your game  
I just can't lose

Look in my eyes, boy  
You know I'll take you along  
Just for the ride, boy  
I ain't gonna say.....

Baby  
Guess you don't mean that much to me  
Now I got you off of my mind  
No - Baby  
Tell you that word is history  
Just a big mistake  
I won't repeat again - no

Ain't gonna say, ain't gonna say  
Baby  
Ain't gonna say, ain't gonna say  
..got you off my
