Pretty little thing  
Making my heart sing  
When you do-hoo  
What you do-hoo  
I just wanna know the score  
So get up on the floor  
Let me see-hee  
Your best for me-hee

We can make it up  
Don't wanna stop  
You can't get enough  
Get you feel the love

Feel your heartbeat  
And your body heat  
You can't get enough  
So come on get your hands up

Get up, boy  
'Cos I wanna chance to make you move  
Get up, boy  
'Cos I wanna get to know your groove

Yeah yeah yeah

Wanna make you mine  
You are so divine  
Can't you see-hee  
You and me-hee

Baby getting close to you  
Is so easy to do  
And tonight is the night  
We're gonna make it alright

We can make it up  
Don't wanna stop  
You can't get enough  
Get you feel the love

Feel your heartbeat

And your body heat  
You can't get enough  
So come on get your hands up

Get up, boy  
'Cos I wanna chance to make you move  
Get up, boy  
'Cos I wanna get to know your groove  
Yeah yeah yeah

Pretty little thing  
Making my heart sing  
Yeah  
Wanna make you mine  
You are so divine

So, Get up, boy  
'Cos I wanna chance to make you move  
Get up, boy  
'Cos I wanna get to know your groove  
Yeah yeah yeah

Get up, boy  
'Cos I wanna chance to make you move  
Get up, boy  
'Cos I wanna get to know your groove  
Yeah yeah yeah

Get up, boy  
'Cos I wanna chance to make you move  
Get up, boy  
'Cos I wanna get to know your groove  
Yeah yeah yeah
