Can you feel it burning, can you feel it burning...
Can you feel it burning, can you feel it burning...

Can you feel it burning, can you feel it burning
(I'm burning up... I'm burning up... I'm burning up...)
Can you feel it burning, can you feel it burning...

Down to the disco, everything stops
Walking in solo everyone drops
Hey summer madness, totally cool
My heart starts racing, when I see you
(When I see you, when I see you)

(I'm burning up, can you feel it burning, can you feel it
burning)
Greta Garbo and Monroe, Dietrich and DiMaggio
Marlon Brando, Jimmy Dean on the cover of a
magazine
Grace Kelly, Harlow Jean picture of a beauty queen
Gene Kelly, Fred Astaire, Ginger Rogers dance on air.

They had style, they had grace Rita Hayworth gave
good face
Lauren, Katharine, Lana too, Bette Davis, we love you
Ladies with an attitude, fellas that were in the mood
Don't just stand there, let's get to it
Strike a pose, there's nothing to it, vogue (I'm burning
up baby)
