I just can't get you outta my head
Boy, your lovin' is all I think about
I just can't get you outta my head
Boy, it's more than I dare to think about

I just can't get you outta my head
Boy, your lovin' is all I think about
I just can't get you outta my head
Boy, it's more than I dare to think about

Every night, every day
Just to be there in your arms
Won't you stay, won't you lay
Stay forever and ever and ever

There's a dark secret in me

Don't leave me locked in you're heart
Set me free, feel the need in me
Stay forever and ever and ever and ever and ever

I just can't get you outta my head
Boy, your lovin' is all I think about
I just can't get you outta my head
