Oh oh
Oooh oooh mmmm

It's clear enough to me
Oh that we were meant to be
Don't ask me if i'm going crazy
I love you baby
Now don't apologise
Just look into my eyes
And tell me I should feel the same
'cause I need you

Come down
If you wanna to see me
Come down
We can make it easy
I know you really want it
(Woah oh oh, woah oh oh oh)
I want us to be together
I've got now until forever
I know you really want it
(Woah oh oh, woah oh oh oh)

So ya gotta make a ????

Sugar what ya offering
I've been thinking lots about you lately
I love you babe
So don't apologise
Just look into my eyes
And tell me I should feel the same
'cause I need you

Come down
If you wanna to see me
Come down
We can make it easy
I know you really want it
(Woah oh oh, woah oh oh oh)
I want us to be together
I've got now until forever
I know you really want it

(Woah oh oh, woah oh oh oh)

Woah oh oh, woah oh oh oh
