Take these arms that were made for lovin'
And this heart that will beat for two
Take these eyes that were meant for watching over you
And I've been such a long time waiting
For someone I can call my own
I've been chasing the life I'm dreaming, now I'm home

I need your love
Like night needs morning

Come, come, come into my world
Won't you lift me up, up, high upon your love?
Na, na, na, na, na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na

A large white heart shape is located in the bottom right corner of the page, partially overlapping the footer area. It has a thick outline and a solid white interior.

Take these lips that were made for kissing
And this heart that will see you through
And these hands that were made to touch and feel you

Free your, so free your love
Hear me, I'm calling

[illegible]

I need your love
Like night needs morning

Come, come, come into my world
Won't you lift me up, up, high upon your love?
Oh baby, come, come, come into my world
Won't you lift me up, up, high upon your, high upon
your love?

[illegible]

Na, na, na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na
