Cruise Control
[Body Language]
Kylie Minogue / Karen Poole

Top down, get on the wheel
Baby things are better when you just feel
And you do you your own thing
Ah, just let it swing
Drive me to I don't care
I'm enraptured take me anywhere
I just wanna fly
I like this CD

Turn the music up
And baby don't slow down
If you want me
All you gotta do
Is keep me going now
Listen can you give me that
Baby just hit that

Cruise control
Ready, get set, go
You drive me crazy boy
I like it racy boy
On cruise control
We've been on a roll
Feels like the speed of light
Sit back and enjoy the ride

Oh no, the lights go green
Time out, do you know what I mean?
We're all on our own
I ain't going home
Out there I wanna be
No more bumper two bumper cars for me
We're on the highway
Put it on replay

Turn the music up
And baby don't slow down
If you want me

All you gotta do
Is keep me going now
Listen can you give me that
Baby just hit that

Cruise control

Ready, get set, go
You drive me crazy boy
I like it racy boy
On cruise control
We've been on a roll
Feels like the speed of light
Sit back and enjoy the ride

Driving on cruise control
(Baby can you give me that, baby can you hit that)
(Can you give me that, baby can you hit that)
(Can you give me that, baby can you hit that)
(Can you give me that)
(Can you give me that)
(Listen can you give me that, baby just hit that)

Just hit that
Cruise control
Ready, get set, go
You drive me crazy boy
I like it racy boy
On cruise control
We've been on a roll
Feels like the speed of light
Sit back and enjoy the ride

Just hit that
Cruise control
Ready, get set, go
You drive me crazy boy
I like it racy boy
On cruise control
We've been on a roll
Feels like the speed of light
Sit back and enjoy the ride

Ready, get set, go
You drive me crazy boy
I like it racy boy
On cruise control
We've been on a roll
Feels like the speed of light
Sit back and enjoy the ride
