When I'm all alone, dreaming of where I want to go,
again
Oh tell me
Tell me you'll never, ever change
Taprobane, so Far away

And you saved me, I was wounded
You saw it, and delivered unto me, an extraordinary
day.
And it's morning, you were golden, like sunshine.
Discovered when you came, extraordinary day

With the passing days
My vision of you will never fade
It's going on
And I know
Your love was there right from the start.
Taprobane, still in my heart

And you saved me, I was wounded
You saw it, and delivered unto me, an extraordinary
day.
And it's morning, you were golden, like sunshine.
Discovered when you came, extraordinary day

And I swim in your waters
I took in your beauty
I looked at the sunset and the fireworks display
My only regret is
That when we first met I never, ever got your name

You saved me, I was wounded
You saw it, and delivered unto me, an extraordinary
day.
And it's morning, you were golden, like sunshine.
Discovered when you came, extraordinary day

Oooh oooh oooh extraordinary day
Oooh oooh oooh extraordinary day
Oooh oooh oooh extraordinary day
Oooh oooh oooh extraordinary day
