What's the worst thing,  
That could happen to you  
Take a chance tonight,  
And try something new  
You're getting boring  
You're oh so boring,  
And I don't recognize the zombie you've turned into

Don't worry,  
Cause tonight I've got you  
You can take a seat,  
Do what you normally do  
I'm about to let you see (let you see)  
This is what will happen if you ain't giving your girl what  
she needs

Leave you, move on to a perfect stranger  
You talk, I walk, wanna feel the danger  
See me with him and it's turning you on,  
It's got me saying, "Can't have me back at the end of  
the song."

Get outta my way,  
Get outta my way  
Got no more to say  
He's taking your place  
Get outta my way  
Way outta my way  
Got no more to say  
He's taking your place  
Get outta my way

Now, I've got a taste,  
I wanna explore  
Ain't going to waste,  
No not any more  
Your going hard now,  
To win my heart but,  
Too many times now you've been coming up short

Don't worry,  
Cause tonight I've got you

You can take a seat,  
Do what you normally do  
I'm about to let you see (let you see)  
This is what will happen if you ain't giving your girl what  
she needs

Leave you, move on to a perfect stranger  
You talk, I walk, wanna feel the danger  
See me with him and it's turning you on,  
It's got me saying, "Can't have me back at the end of  
the song."

Get outta my way,  
Get outta my way  
Got no more to say  
He's taking your place  
Get outta my way  
Way outta my way  
Got no more to say  
He's taking your place  
Get outta my way

You know I ain't going home,  
Cause I wanna stay  
But I won't be alone,  
No how, no way  
Now I'll show you what I'm made of (made of)  
This is what will happen if you ain't giving your girl what  
she needs

Leave you, move on to a perfect stranger  
You talk, I walk, wanna feel the danger  
See me with him and it's turning you on,  
It's got me saying, "Can't have me back at the end of  
the song."

Get outta my way,  
Get outta my way  
Got no more to say  
He's taking you place  
Get outta my way  
Way outta my way  
Got no more to say  
He's taking you place  
Get outta my way

You know I ain't going home  
But I won't be alone  
Now I'll show you what I'm made of  
Now I'll show you what I'm made of
