Hmmmm

I feel my heart stuck to beat like a drum every,
everytime you're looking my way,
I see them other guys, trying but I only wanna wanna
hear what you have to say

[bridge]

Don't keep me waiting, got one chance before
I'm off to saint elsewhere, that window is closed
I keep my (oh, oh oh, oh, oh oh)
Boy don't you know that I'm the hottest in here?
(Keep it going now) (oh, oh oh, oh, oh oh)
Get in gear before I disappear with my girls.

[chorus]

I said you gotta go hard or go home,
cause if you get a girl like me all alone
You better take advantage of the moment
boy, you better own it,
and you gotta go hard or go home

I work my eyes, show my curves, flash a smile, so you
know you can invade my space.
I'm standing by, wasting time, time to fly, do you do
you like the thrill of the chase?

[bridge]

Don't keep me waiting, got one chance before
I'm off to saint elsewhere, that window is closed
I keep my (oh, oh oh, oh, oh oh)
Boy don't you know that I'm the hottest in here?
(Keep it going now) (oh, oh oh, oh, oh oh)
Get in gear before I disappear with my girls.

[chorus] x2

I said you gotta go hard or go home,

cause if you get a girl like me all alone
You better take advantage of the moment
boy, you better own it,
and you gotta go hard or go home

Close the deal right now or,
I'll be outta the door,
If you want me,
come get body to body
I wont say it no more

ta ra na na na
ta ra na na na
ta na na na na na na
ta ra na na na
ta ra na na na
Get in gear before I disappear with my girls.

[chorus] x2
I said you gotta go hard or go home,
cause if you get a girl like me all alone
You better take advantage of the moment
boy, you better own it,
and you gotta go hard or go home

ta ra na na na
ta ra na na na
Boy don't you know that I'm the hottest in here?
ta ra na na na
ta ra na na na
ta ra na na na
Get in gear before I disappear with my girls.
