I don't believe you know me  
Though you know my name  
I don't believe the faults I have  
Are only mine to blame

I don't believe that magic  
Is only in the mind  
I don't believe I'd love somebody  
Just to pass the time

But I believe in you  
And I believe in you

I don't believe that beauty  
Will ever be replaced  
I don't believe a masterpiece  
Could ever match your face

The joker's always smiling  
In every hand that's dealt  
I don't believe that when you die  
Your presence isn't felt

But I believe in you  
And I believe in you  
But I believe in you  
And I believe in you

And if you ever have to go away  
Nothing in my world could ever be the same  
Nothing lasts forever, but together 'til then  
I'll give you everything I have, again and again

'Cause I believe in you, I believe in  
I believe in you, I believe in  
I believe in you, I believe in  
I believe in you, I believe in

'Cause I believe in you  
And I believe in you  
But I believe in you  
And I believe in you

I believe in you, I believe in  
I believe in you, I believe in  
I believe in you, I believe in  
I believe in you, I believe in

I believe, I believe, I believe in you
