Can you feel it?

Nothing that I do is right, I think I've had an oversight

You don't know what you're doing to me

Why do you always put me down?

It's better when you're not around, we always seem to disagree

You're killing my love, you're screwing me up

I can't take no more and I've had enough

I can't get it right, I'm choking inside

I love you in death, in the afterlife

But I don't know what it is that keeps me going

Can't get enough of this, it keeps us flowing

I keep pushing ahead and you can't stop me now

Took some time to realize, I saw it right before my eyes

That we don't get along anymore

I tried my best to make it work, you always keep me in the dark

And now I'm feeling oh so unsure

You're killing my love, you're screwing me up

I can't take no more and I've had enough

I can't get it right, I'm choking inside

I love you in death, in the afterlife

But I don't know what it is that keeps me going

Can't get enough of this, it keeps us flowing

I keep pushing ahead and you can't stop me now

And I don't know what it is that makes it matter

So tell me what to give to make it better

I'm pushing ahead and you can't stop me now

Pushin' and shovin'  
Pushin' and shovin'  
Pushin' and shovin'  
Pushin' and shovin'

But I don't know what it is that keeps me going  
Can't get enough of this, it keeps us flowing  
I keep pushing ahead and you can't stop me  
now

And I don't know what it is that makes it matter  
So tell me what to give to make it better  
I'm pushing ahead and you can't stop me now

I don't know what it is  
I don't know what it is  
I don't know what it is
