[1:]

You can tell me anything
You can tell me anything
I'll believe you

You know it too
Share the truth with lies
Set aside one flies
Will you realise

[CHORUS:]

If you don't love me
You don't love me
I will know
If you don't love me

You don't love me

[2:]

You can ask me anything
You can ask me anything
I will do it

You know it too
Nothing that I'll do
If you want me to
And it's all so true

[CHORUS:]

I'll know
