Will you take me pool side
To feel the summer breeze?
There's a place that looks inviting
By the branch of banyan tree
A little taste of moonlight
And a canopy of stars

It's a feeling
Such a feeling
Something I cannot hide
You're the reason
I'm so high

Never had the feeling
So could it be more right
I feel as if I know you
And we only met tonight
I've got a cool sensation
I can hardly catch my breath

It's a feeling
Such a feeling
Something I cannot hide
You're the reason
I'm so high

It's a feeling
Such a feeling
Something I cannot hide

On the ceiling
I'm so high
In the evening
I'm so high
Such a feeling
I'm so high

The party's almost over
I don't want tonight to end
We could be starting something
You feel more than a friend
The universe conspired

For the two of us tonight

It's a feeling
Such a feeling
Something I cannot hide
You're the reason
I'm so high

It's a feeling
Such a feeling
Something I cannot hide
You're the reason
I'm so high

On the ceiling
I'm so high
In the evening
I'm so high
Such a feeling
I'm so high
