[x4:] It's no secret [echoed]

[1:]

When I first met you  
How you changed my life that day  
But when each tomorrow  
You just seem to drift away

Then I discovered  
That you were cheating  
You were cheating on me  
But I was the last to know  
Ooh, ooh

[CHORUS:]

Our love was a lie  
And it's no secret  
It's no secret  
How you hurt me inside  
And it's no secret  
Because you told everybody

[2:]

Didn't I really love you  
You know I gave you all my heart

When I put my arms around you  
I never thought we'd ever part  
Ooh, ooh

Then I discovered  
I guess you couldn't love me  
Like you said you love me  
Ohh, no  
Why was I the last to know

[CHORUS:]

[BRIDGE:]

All of my life  
I was looking for someone  
Just like you

You shattered my dreams  
Tore me apart  
What can I do

(You were cheating)  
(You were cheating on me)  
But I was the last to know

*[CHORUS:]*  
*[repeat & fade]*
