No-one else I know can thrill me like you do
I only ever want to Go-Go dance with you
You're the dreamboy on my bedroom poster
Now we're on a rollercoaster ride

Chorus

You're the greatest gift that I could ever wish for
And there's not a single thing I wouldn't give for a little
time with you
My Kookachoo
'Cause I'm so in love with you

No-one else can take me to the highs like you
You show me all the colours when I'm feeling blue
You're the brightest shining lights on Broadway
Pink in evening sunsets every day

Repeat Chorus

Even at night, when I'm sleeping
You are all I'm ever dreaming of.
