Thought that I was going crazy  
Just havin' one those days yea  
Didn't know what to do  
Then there was you

And everything went from wrong to right  
And the stars came out to fill up the sky  
The music you were playin' really blew my mind  
It was love at first sight

'Cause baby when I heard you  
For the first time I knew  
We were meant to be as one

I was tired of running out of luck  
Thinkin' 'bout giving up, yea  
Didn't know what to do  
Then there was you

And everything went from wrong to right  
And the stars came out to fill up the sky  
The music you were playin' really blew my mind  
It was love at first sight  
(Love)

'Cause baby when I heard you  
(When I heard)  
For the first time I knew  
We were meant to be as one  
(To be as one)

'Cause baby when I heard you  
For the first time I knew  
We were meant to be as one

Everythin' went from wrong to right  
And the stars came out and filled up the sky  
(Up the sky)  
The music you were playin' really blew my mind  
It was love at first sight  
(Love)  
Love at first sight

Love at first sight  
Love  
Ooh, it was love, it was love at first sight

'Cause baby when I heard you  
(When I heard)  
For the first time I knew  
We were meant to be as one  
(To be as one)

'Cause baby when I heard you  
(When I heard)  
For the first time I knew  
We were meant to be as one

It was love, it was love, it was love, it was love  
Oohh, it was love, it was love, it was love, it was love  
Oohh, it was love, it was love, it was love, it was love
