Ooh oom  
Ooh oom  
I'll dive deep, I have fallen all the way  
Happily there's no escape  
Surrender to your heart

Giving into all of this  
Fascinated by your kiss  
I'm floating in your arms

Take your time, just unwind  
Ooh, I wanna breathe you in  
A little while to ease your mind  
You're the world I'm livin' in

Precious time with you  
Divin' in the blue  
We are ridin' on the waves  
These are lovin' days  
(Lovin' days)  
Lovin' days with you

Fantasy, feel it rushing over me  
Nowhere else I want to be  
My love is by my side

For a moment you and me  
Holding on to ecstasy  
Give us all day and night  
Oh

Take your time, just unwind  
Ooh, I wanna breathe you in  
A little while to ease your mind  
You're the world I'm livin' in

Precious time with you  
Divin' in the blue  
We are ridin' on the waves  
These are lovin' days  
(Lovin' days)  
(These are lovin' days with you)

Lovin' days with you

Precious time with you  
(This is precious time with you)  
Divin' in the blue  
(We are divin' in the blue)  
We are ridin' on the waves  
These are lovin' days  
(Lovin' days)  
Lovin' days with you

These are lovin' days with you

Precious time with you  
(This is precious time with you)  
Divin' in the blue  
(We are divin' in the blue)  
We are ridin' on the waves  
These are loving days  
(Lovin' days)  
Lovin' days with you

Precious time with you  
(This is precious time with you)  
Divin' in the blue  
(We are divin' in the blues)  
We are ridin' on the waves  
These are lovin' days  
(Lovin' days)  
Lovin' days with you
