I like it
Nu, nu, di, di, ty, ty
Burning down the scene
Nu-di-ty

Hang your coat up
Hang your coat up
Lock the doors up
Lock the doors up

Let the steam rise
In the skylight, alright, alright
Are you ready to
Let it go tonight?

Do your own thing
With your own thing
Shake, shake your hip
It's getting full swing

Ooh, guess who is watching now?
L-L-Looking, looking wow

Flash it in fashion with me
Skin to skin, body to body
Dare to bare, let me, let me see
Nu-di-ty

Nu, nu, di, di, ty, ty
Nu-di-ty

Time to strip down
Time to strip down
Just pop that zipper for me
And then work that thing out

Just expose it
'Cause you know it's alright, alright
Are you ready to
Let it go tonight?

Let it go, here we go

Just let it slip inside
That's right, here we go
One button at a time

Who cares who sees tonight?
L-L-Looking, looking wow

Flash it in fashion with me
Skin to skin, body to body
Dare to bare, let me, let me see
Nu-di-ty

Let me see
Nu-di-ty, nu-di-ty
Nu, nu, di, di, ty, ty
Let me, let me see

Nu-di-ty
Let me, let me see
Nu-di-ty, nu-di-ty

Flash it in fashion with me
Skin to skin, body to body
Dare to bare, let me, let me see
Nu-di-ty

Nu, nu, di, di, ty, ty
Nu-di-ty
Nu, nu, di, di, ty, ty
Nu-di-ty
