(On a, on a, on, on a, on a, on)  
(On a, on a, on, on a, on a, on)  
(On a, on a, on, on a, on a, on)  
(On a, on a, on, on a, on a, on)  
(On a, on a, on, on a, on a, on)  
(On a, on a, on, on a, on a, on)  
(On a, on a, on, on a, on a, on)  
(You kiss me, you touch me)  
(On a, on a, on, on a, on a, on)

Don't say it's like a fantasy  
When you know this is how it should be  
You kiss me  
I'm falling can you hear me calling  
You touch me, I want you  
Feels like I've always known you

On a night like this  
I wanna stay forever (stay forever)  
On a night like this  
Just wanna be together  
On a night like this

(On a, on a, on, on a, on a, on)  
(On a, on a, on, on a, on a, on)  
Now I'm getting closer to you  
Hold me, I just can't be without you  
You kiss me, I'm falling  
It's your name I'm calling  
You touch me, I want you  
Feels like I've always known you

On a night like this  
I wanna stay forever (stay forever)  
On a night like this  
Just wanna be together  
On a night like this

Seems like I've known you a lifetime (lifetime)  
Now it's time to make you mine  
On a night like this  
On a night like this, oh

(You kiss me, I'm falling)  
(You touch me)

On a night like this  
Just wanna be together

On a night like this  
I wanna stay forever (stay forever)  
On a night like this  
Just wanna be together  
On a night like this

(You kiss me, I'm falling)  
(You touch me)

On a night like this  
(You kiss me, I'm falling)  
(You touch me)

On a night like this  
(You kiss me, I'm falling)  
(You touch me)  
On a night like this
