Ah, ah, ah, ah, ah, ah, ah, ah

Yeah...

Ah, ah, ah, ah, ah

Count backwards 5, 4, 3, 2, 1

Before you get too heated and turned on (and turned on)

You should've learned your lesson all in times before

You've been bruised, you've been broken
And there's my mind saying think before you go

Through that door that takes me to nowhere (yes boy)

I stopped you all romantic crazy in your head

You think I listen, no I don't care
Can't focus I can't stop

You got me spinning round, round, round, round (like a record)

Can't focus it's too hot (inside)

You'll never get to Heaven, if your scared of getting high
(Boy, boy) Let me keep freaking around, I wanna get down

And I'm a red-blooded woman, what's the point of hanging around?

(Boy, boy)

I wanna keep turning it down, when this girl wants to rock with you, yeah...

(Boy, boy)
Let me keep freaking around, I wanna get down

And I'm a red-blooded woman, what's the point of
hanging around?

(Boy, boy)

I wanna keep turning it down, when this girl wants to
rock with you

My concious saying, get down off the streets,

It's too dangerous and deadly (yes boy)

Has got you talking around and circles got you see,

All for the sake of sexy

And as my friends say, stop before you fall

I don't wanna pick you up again (yes boy)

He's got you all romantic and crazier each day

You think I listen, there's no way

Can't focus I can't stop

You got me spinning round, round, round, round (like a
record)

Can't focus it's too hot (inside)

You'll never get to Heaven, if your scared of getting
high

(Boy, boy)

Let me keep freaking around, I wanna get down

And I'm a red-blooded woman, what's the point of
hanging around?

(Boy, boy)

I wanna keep turning it down, when this girl wants to
rock with you, yeah...

(Boy, boy)

Let me keep freaking around, I wanna get down

And I'm a red-blooded woman, what's the point of
hanging around?

(Boy, boy)

I wanna keep turning it down, when this girl wants to
rock with you

Let me keep freaking around, freaking around

Red blooded women

It's too hot inside

You'll never get to Heaven if your scared of getting
high

La, la, la, la, la, la, la, la,

Freaking around

La, la, la, la, la, la, la, la,

Freaking Around

La, la, la, la, la, la, la, la,

Freaking around

La, la, la, la, la, la, la, la,

Freaking Around

(Boy, boy)

Let me keep freaking around, I wanna get down

And I'm a red-blooded woman, what's the point of
hanging around?

(Boy, boy)

I wanna keep turning it down, when this girl wants to
rock with you, yeah...

(Boy, boy)

Let me keep freaking around, I wanna get down

And I'm a red-blooded woman, what's the point of
hanging around?

(Boy, boy)

I wanna keep turning it down, when this girl wants to
rock with you

Wanna rock with you
