"Ruffle My Feathers"

How could you, Ruffle my Feathers?
How could you, Halt my tongue?
How could you, Buckle my weather?
How could you, Make me stop to run?

But you wont get the best of me
You can't have an ego trip.

No matter how long you pull me down
I'm looking up, I'm still around
No matter how you think you will win
I'm not giving up or giving in

How could you, Try to define me?
You thought I'd come undone
But you got the shock of a lifetime
Because I've only just begun

You didn't get the best of me, No no no no
You can't have an ego trip

No matter how long you pull me down
I'm looking up, I'm still around
No matter how you think you will win
I'm not giving up or giving in
No wonder you hang your head in shame
I'll always no I'm not to blame
But thankyou for showing me the way
Of everlasting love

Can you feel it, can you feel it?
Can you feel it, can you feel it?
Everlasting love
Can you feel it, can you feel it?
All over you?
Can you feel it, can you feel it?
Everlasting love

No matter how long you pull me down
I'm looking up, I'm still around

No matter how you think you will win
I'm not giving up or giving in
No wonder you hang your head in shame
I'll always no I'm not to blame
But thankyou for showing me the way
Of everlasting, everlasting love
(Can you feel it?)
