Rushing up on you like a freak in the fast lane

I'm on a mission to whip you into a hurricane

And when I overtake I'm gonna be in pole position

yeah-yeah-yeah-yeah

Are you ready for the change
If I let you stay, If I let you play

Will you lose or win

You can't kiss and tell

Will you pass it or fail

Let the games begin
Here's my secret

I'm a girl who likes her fun

And if you can keep it

Then you just might be the one

To come and party baby

But don't be misunderstood

I'll be cool, would you be cool

I wonder if I take you home
Major should explore the physical

But don't confuse emotions with the pleasure principle

Just let me take a ride

And educate the corners of your mind

Yeah yeah yeah

RAP:

Buckle up baby feel my speed

Take it from zero to sixty

Driving so hot like a criminal

The chase is irresistible

Gonna twist you round and manipulate

Whatch you hyperventilate

That's just the way I get my kicks

So take it in baby, deal with it
Here's my secret

I'm a girl who likes her fun

And if you can keep it

Then you just might be the one

To come and party baby

But don't be misunderstood

I'll be cool, would you be cool

I wonder if I take you home
Here's my secret

You can keep it (keep it)

Party baby (don't be misunderstood)

I'll be cool, would you be cool

I wonder if I take you home
RAP:

Buckle up baby feel my speed

Better not blink or you'll miss me

Driving you hard subliminal

Cause you're so irresistible

Let me pump you up with adrenaline

Get your headspace into a spin

Cause that's the way I get my kicks

So take it in baby, deal with it
Here's my secret

I'm a girl who likes her fun

And if you can keep it

Then you just might be the one

To come and party baby

But don't be misunderstood

I'll be cool, would you be cool

I wonder if I take you home
I wonder if I take you home
