12" RAP: Shocked, your love hit me in the right spot
Cold yesterday and today I'm hot
You came to me and I said why not
And this is what I got
Love no conditions no ties no rings
Just be together and do our own thing
All the good things that our love brings
Really makes my heart sing
Shocked by the power of your love
I'm the fingers you are the glove
Surrounding me with protective love
I can't get enough
Take me anywhere any old time
Am I dreaming this is sublime
I dedicate to you this rhyme
You're a love divine.....

1a: Tell me I'm only dreaming and I'll believe you
Can't see how this could be true
Surrounded by feelings I hardly recognise
I look for explanations I'm taken by surprise
If you told me yesterday that I could feel this way
I would sure enough call you a liar to your face

CHORUS: Because I'm shocked by the power
(Shocked) ooh
Shocked by the power of love
I was rocked to my very foundations
Shocked by the power, shocked by the power

2: Maybe this time tomorrow
I'll discover this ain't really real
'Cos it struck me like lightning
Like a bolt out of the blue
Emotions inside me, all over you
I'm high above the Universe, losing track of time
And falling free I can't believe that you are really mine

CHORUS

RAP: Shocked, like the lightning from up above
Down from the heavens and it gave me love

From a man who respects me
Loves my mind as well as my body
No retreat and no surrender
Equal to you regardless of gender
Giving me love that is warm and tender
That's why I gotta tell ya
You and I are of the same mind
It seems to me that we're one of a kind
It's true to say that when love is blind
But then true love is so hard to find
You respect me and the things I do
It was meant to be I was made for you
Open the door to my heart, it's stopped
And I'm shocked....

CHORUS

Surrounded by feelings I hardly recognise
I look for explanations I'm taken by surprise
'Cos it struck me like lightning
Like a bolt out of the blue
Emotions inside me, all over you.

CHORUS: (repeat & fade)
