Goodbye  
Goodbye  
Goodbye

Remember when I saw you for the first time  
I never thought you'd be mine  
Then we went ahead and fell in love  
Heaven was a common ground  
We were never coming down  
The two of us we had more than enough  
You and I are not the same  
To you love is just a game  
Things will never be the same again

Chorus  
So now goodbye  
This time I will be gone goodbye  
Stayed for way too long  
Started out with trust  
But it isn't just about the good times baby

Remember all the promises we swore to  
Can't say I didn't warn you  
How I did adore you way back then (I did adore you  
adore you)  
Ohhhhh  
But you broke a solemn vow  
Ha! you're paying for it now  
Wouldn't you expect more from a friend  
You and I are not the same  
To you love is jsut a game  
Things will never be the same again

Chorus  
So now goodbye  
This time I will be gone goodbye  
I stayed for way too long  
I don't need you now  
And I am oh so tired of excuses baby

Goodbye

Goodbye  
Goodbye  
Goodbye

This time will be gone goodbye  
Stayed for way to long this time  
It all started out with trust  
But it isn't about the good times baby

So now goodbye  
This time I will be gone goodbye  
I stayed for way too long  
I don't need you now  
And I am oh so tired of excuses baby

Chorus

So now goodbye  
This time I will be gone goodbye  
I stayed for way too long  
I don't need you now  
And I am oh so tired of excuses baby
