I know that I'm out of my mind
Yeah I know when two hearts collide
It can be such a suffering thing
I was there before now I'm here again

I'm a sucker for love
la la la la la la la
I walk right into temptation
And I cant get enough
la la la la la la la
I'm addicted to the sensation

So tell me how, tell me where, tell me when you want it
And I'll arrange the stars around (oh oh oh)
Tell me true, tell me nice, tell me how you feeling
The universe is ours tonight (oh oh oh)
Tell me now, tell me deep, tell me in the moment
This house of ours is made of fire (Oh oh oh)
(??) ...
And I'll arrange a spell of desire.

I know that I'm helpless and crazy
I thaw and I cannot explain why I do
It's like a lock and a key
You open the door and I'm running free

I'm a sucker for love
la la la la la la la
I walk right into temptation
And I cant get enough

la la la la la la la
I'm addicted to the sensation

So tell me how, tell me where, tell me when you want it
And I'll arrange the stars around (oh oh oh)
Tell me true, tell me nice, tell me how you feeling
The universe is ours tonight (oh oh oh)
Tell me now, tell me deep, tell me in the moment
This house of ours is made of fire (Oh oh oh)
(??) ...
And I'll arrange a spell of desire.

Oh, oh

So tell me how, tell me where, tell me when you want it
And I'll arrange the stars around (oh oh oh)
Tell me true, tell me nice, tell me how you feeling
The universe is ours tonight (oh oh oh)
Tell me now, tell me deep, tell me in the moment
This house of ours is made of fire (Oh oh oh)
(??) ...
And I'll arrange a spell of desire.

So tell me how, tell me where, tell me when you want it
And I'll arrange the stars around (oh oh oh)
Tell me true, tell me nice, tell me how you feeling
The universe is ours tonight (oh oh oh)
Tell me now, tell me deep, tell me in the moment
This house of ours is made of fire (Oh oh oh)
(??) ...
And I'll arrange a spell of desire.
