New sensation (3x)

Check out this groove and you're  
Walkin' on air  
Going into a new  
Dimension, yeah

So put your vibes on my beat  
And we'll lay it down like that  
Slap the hi-hat in  
Put the fairlight on the track

Ooh  
And we can go  
Crazy like that  
Feelin' like that  
Movin' like that  
Drop it like that  
Rockin' the track  
I'm lookin for that new sensation

Woo hoo  
I think we're on to somethin'  
You're taste it mirrors mine  
So high I'm in the moment  
Let's make this demo right  
I might just lose it  
Woo hoo  
When we make sweet music

Doesn't it bend the waves  
That's in the air, yeah  
Got samples and scratches  
Let's do it, right here

Boys and girls.....a different kind of sound

'Cause every heartbeat babe  
Is the soundtrack to your life, oh  
And every man out there must be sent  
To get me high

And we can go  
Crazy like that  
Feelin' like that  
Movin' like that  
Drop it like that  
Rockin' the track  
I'm lookin for that new sensation

Woo hoo  
I think we're on to somethin'  
You're taste it mirrors mine  
So high I'm in the moment  
Let's make this demo right  
I might just lose it  
Woo hoo  
When we make sweet music

When we make sweet music  
Oh yeah yeah yeah  
When we make sweet music  
Oh yeah yeah yeah  
When we make sweet music  
Yeah yeah yeah  
When we make sweet music

I think we're on to somethin'  
Your taste it mirrors mine  
So high I'm in the moment  
Lets make this demo right  
I might just lose it  
When we make sweet music

And we can go  
Crazy like that  
Feelin' like that  
Movin' like that  
Drop it like that  
Rockin' the track  
I'm lookin for that new sensation

Woo hoo
