I know all there is to know about the crying game
Iâ€™ve had my share of the crying game
First there are kisses, then there are sighs
And then, before you know where you are
Youâ€™re sayinâ€™ goodbye

One day soon Iâ€™m gonna tell the moon
About the crying game
And if he knows, maybe heâ€™ll explain
Why there are heartaches, why there are tears
And what to do to stop feeling blue
When love disappears

I canâ€™t take the situation
Itâ€™s making me feel so blue
One moment you walked into my life
And now youâ€™re sayinâ€™ that weâ€™re through

I hear that youâ€™re in love now
Baby, donâ€™t know what to say
I canâ€™t believe that I still feel this way
I hear that youâ€™re in love now
Baby, donâ€™t know what to say
Let the falling decide
You wonâ€™t be mine
Put yourself in my place

You know something will come around
Youâ€™re better put yourself (put yourself)
In my place
When your lovers bring you down
And thereâ€™s no-one else around
Youâ€™re gonna put yourself (put yourself)
In my place

Donâ€™t you know that the circle will come around

But what is love
Without the finer feelings
Itâ€™s just sex
Without the sexual healing

Passion dies
Without some tender meanings
It ain't love
Without the finer feelings

Without the finer feelings
It's just sex
Without the sexual healing
Passion dies
Without some tender meanings
It ain't love
Without the finer feelings

But the feeling still remains
And the embers feed the flame
How I hope you feel the same
So our love may grow again

Don't want no more of the crying game
Don't want no more of the crying game
Don't want no more of the crying game
Don't want no more of the crying game
Don't want no more of the crying game
Don't want no more of the crying game
Don't want no more of the crying game
Don't want no more of the crying game
